Panchayats (share from land revenue)

* 1867 *Q.*—SRI N. K. PALANISAMI : Will the Hon. the Chief Minister be pleased to state whether the attention of the Government has been drawn to the resolution passed by the Third All-India Panchayat Parishad on May 15, 1961 at Jaipur, urging that all panchayats should be empowered to utilise full share of land revenue in order to make each panchayat economically self-sufficient?

THE HON. SRI C. SUBRAMANIAM : A copy of the resolutions passed at the Third Convention of the All-India Panchayat Parishad held at Jaipur, in May 1961, has been received by the Government.

SRI N. K. PALANISAMI : Since most of the amount in the fund allotted to each panchayat union has to be spent on the maintenance of educational institutions, may I know whether there is any proposal to allot a bigger amount out of the revenue collected by them?

THE HON. SRI C. SUBRAMANIAM : Sir, the scheme for financing the panchayats and panchayat unions have been fully discussed in this House and we have formulated a scheme. If only the hon. Member goes through it, he will find that not only what we are collecting as land revenue but more than that is being allotted to the panchayats and panchayat unions. They have just now started functioning. As far as the education budget is concerned, it is a separate fund altogether and sufficient funds are made available not only to maintain the existing schools but also to start new schools. Other funds are available for other development purposes.
